# AG FLASH POLL

A big part of a Realtor's focus has become their web presence which includes third party sites like Realtor.com, Trulia and Zillow. We asked a series of questions to gauge AG reader sentiment toward these real estate search sites.

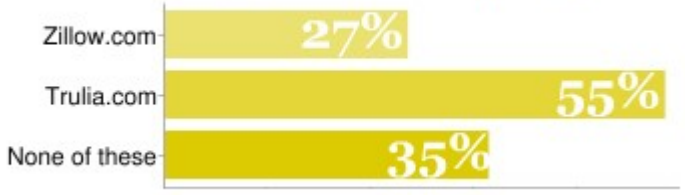

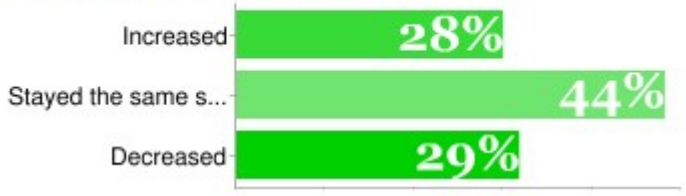

**Which of the following sites have you gotten leads from in the last three months?***

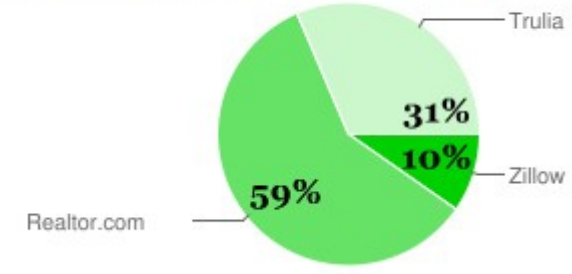

**Which of the following sites do you actively participate in forums?***

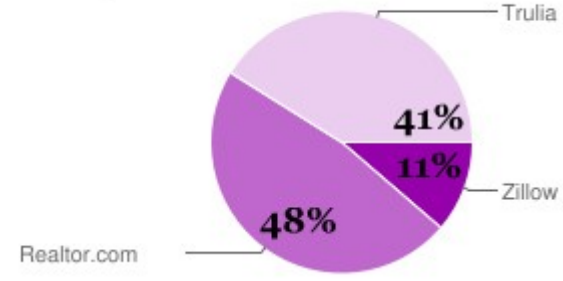

**Has your participation increase or decreased?**

**Which do you think is the best value for consumers?**

**Which do you think is the best value for Realtors?**

**Amounts may not add up to 100% as respondents could choose more than one option.*
